 Coming from Munich, simply drive towards Nuremberg / NÜRNBERG on the A9 and exit at ECHING.

Upon leaving the A9 at ECHING

Turn left. Go straight for about 500m and take the first right turn into the PAUL KÄSMEIR STR. Stay on this street until you drive over the railway bridge. Directly after the bridge go left ( you can see the GRIP FACTORY signpost ). This is the FÜRHOZENERSTR. Drive to almost the end of this street and approximately 50m before the end of the street (there is another blue GRIP FACTORY signpost) go right into a small driveway beside a big warehouse. Drive straight in about 100m, then go right (you cannot go anywhere else). We are the last door on the right of the building.
